- Words
- Numbers
- Time Just for Fun

The *Britannica Discovery Library* is a charming, lavishly illustrated 12-volume set of "concepts and values" books specifically created for young learners ages three to six. Children are introduced to various texts and genres, including rhymes, narratives, puzzles, and riddles. Key vocabulary words are highlighted throughout and defined at the back of each book. The set is ideal for pre-readers and early readers as each volume contains activities to build thinking and comprehension skills and a glossary to build language skills.

COLOURFUL, LIVELY ILLUSTRATIONS AND PHOTOGRAPHS

Specially commissioned illustrations and full colour photos give each page a visual representation of the text.

VOCABULARY BUILDER

Each volume contains a glossary so children can learn to look up new words and concepts.

PARENT AND TEACHER GUIDE INCLUDED

Children will learn basic concepts and then be asked to apply them by answering the questions or completing activities found in each volume.
